AN OVERVIEW OF THE ACADEMIC YEAR 2021-2022**

Dear Parents

Greetings of the season!

We are at the conclusion of yet another academic year at NPS Indiranagar. Despite the continued challenge of the Online mode of education interspersed with occasional Offline classes, exams and practicals (for senior students), we are proud to say that our students rose to the occasion once again, and outshone themselves in both, scholastic and co scholastic fields. We are pleased to update you on some important events and achievements of the academic year 2021-22. And together let us hope, with renewed positivity, for a regular, better and productive year 2022-23.

I would, once again, like to thank you for your constant support for the school. During the challenging two years gone by, your regular and valued feedback was instrumental in the smooth flow of academic and co-scholastic events of the school. Perhaps, this turbulent time, ridden with multiple uncertainties, has made your partnership and bond with us even stronger. You have encouraged us to put in our sustained and best efforts to ensure that your ward strives to 'Reach Out, Reach High, Reach Beyond.'

The prescribed cost and schedule of issue of books will be notified to the students separately.

### **Application for Transfer Certificate**

We have tremendous pressure from parents seeking admission to NPS Indiranagar, both from India and abroad. In this context, it would be appreciated if parents who are planning to withdraw their wards from the school for the next academic year could inform us of the same, latest by Monday, 14 March 2022. You may download the application form “annexure F” from the school website to submit the same at the school Bursary.

Online fee payment for the academic year 2022-23 will be on your acadamis portal from 21<sup>st</sup> March 2022.

We have successfully come to the end of an academic year that has without doubt, proved to us how much we can achieve as parents, students and educators. It has definitely been an indicator of the strength that is intrinsic to us. I would like to convey my very best to you for the summer vacation. Do stay safe and I wish you all good health. I look forward to welcoming each one of you, refreshed, for what will be another exciting and productive new academic year.

Warm regards
